Favourite ITU Race & why: Salford because of the great atmosphere with a great public and I often have a solid race there.

First Triathlon and reason: When I was 11 I tried a kids triathlon because my Dad had done some triathlons and said they were fun.

Proudest Moment: Racing for the first time under French colours – it is an honour to represent a country that has taken me in so warmly.

Triathlon Goals: Be the best I can be – if that road takes me via the Games and some World cup podiums then great!

Personal Best: Swim (1500m) - 18:45 Bike (40km) - 1:00:00 Run (10km) - 36:00

Most influential person in sporting career: My Dad

Sponsors: Poissy Triathlon, MBK bikes, Adidas, Mavic, Time, Aquaman, COLAS, Sport 2000

PERSONAL

Profession: Triathlete **Marital Status:** single

Education: BSc (Hons) PE and Sports science, Loughborough University, England and Diploma in Translation, Institute of Linguistics, UK

Language(s): French, English, little Spanish **Sibling(s):** one brother

Father's Occupation: Retired engineer **Mother's Occupation:** Retired social worker

Family History in Sport: My maternal Grandfather was a talented middle distance runner and hockey player before WWII. My father is very sporty (runs, bikes, triathlon) and he got me into cycling and triathlon.

Biggest Obstacle in Life: I think I've been pretty spoiled by life and have no right to complain. A big wake up call in my private life at the end of 2005 was a make or break moment though, and has certainly helped me to grab life and triathlon by the balls.

Goals outside Triathlon: Stay happy and healthy.

Other: Currently one of the ITU athlete representatives.
